

AIA MyCare

"I'm so happy to know that my family and I have AIA MyCare for when we need expert care, attention and advice."

When your loved ones are facing a medical situation, you want to do everything in your power to help them get better.

AIA MyCare in collaboration with Teladoc Health can help you and your family by making sure your medical diagnoses are correct and the treatment plans are the best for you or your loved one. We provide you with free access to leading local and global medical experts in more than 450 specialties, so we can help you when you need to help your family.

MyCare is available to you and your immediate family* as part of your corporate policy with AIA and Teladoc Health.

For more information, or to take advantage of any of the AIA MyCare services, call **0800 425 005** or visit **www.aiamycare-teladoc.com**

*Immediate family includes your partner (spouse, civil, or de facto), children (any age), and parents (incl. in laws)
AIA MyCare is not insurance and does not replace your current doctor or medical professional. Before making any insurance decisions, you should consult a professional adviser.

**HEALTHIER. LONGER.
BETTER LIVES**
