## How does it work?

Customers who meet the eligibility criteria and register their Airpoints number to their policy will automatically receive 5x Airpoints Dollars for every \$100 premium paid for three months.

More information about Airpoints and how to register an Airpoints number can be found [here](#).

## AIA is also running an 'One month's premium free' offer – are customers eligible for both?

Yes, customers can be eligible for both the 5x Airpoints Dollars and One month's premium free offers. Customers will not receive any Airpoints Dollars for the month their premium is free, but will receive 5x Airpoints Dollars for the first 3 months of premiums paid.

The following examples illustrate how the campaign works for different scenarios:

### Scenario 1:

June – One month's premium free	July – Premium paid	August – Premium paid	September – Premium paid	October ongoing – Premium paid
No Airpoints Dollars received	5x Airpoints Dollars earned	5x Airpoints Dollars earned	5x Airpoints Dollars earned	1x Airpoints Dollars earned

### Scenario 2:

June – Premium paid	July – One month's premium free	August – Premium paid	September – Premium paid	October ongoing – Premium paid
5x Airpoints Dollars earned	No Airpoints Dollars received	5x Airpoints Dollars earned	5x Airpoints Dollars earned	1x Airpoints Dollars earned

## What happens if a customer pays annually – will they still receive 5x Airpoints Dollars?

If their premium payment date falls within the Promotion Period, then they will be eligible to receive 5x Airpoints Dollars on their full premium payment. If the client's premium payment falls outside the Promotion Period, then they will not be able to participate in the 5x Airpoints Dollars promotion but will still be eligible to receive their 1 Airpoints Dollar for every \$100 premium paid.
