

YOUR GUIDE TO AIA APOLLO

2021 Adviser Guide

Contents

When you believe that all things are possible and you are willing to work hard to accomplish your goals, you can achieve the next 'impossible' dream.

BUZZ ALDRIN, ASTRONAUT

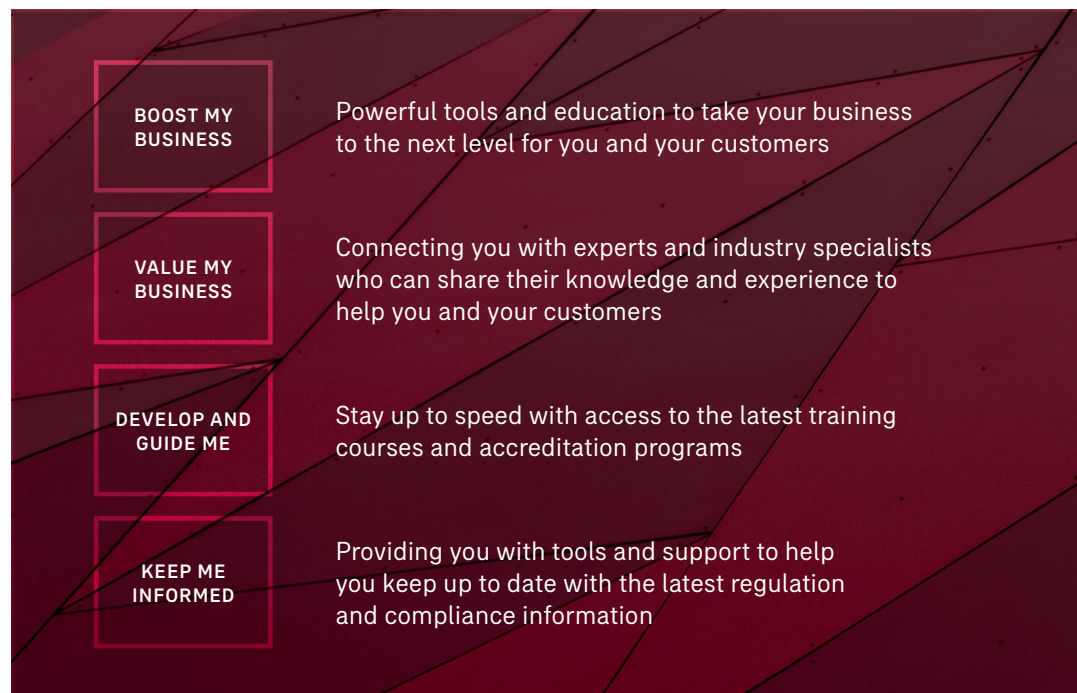

Supporting you, your business and your customers

We know that running a successful business isn't easy - it takes long hours, hard work and dedication.

AIA Apollo is our adviser support program designed to provide simple, practical and effective support that helps you to deliver good customer outcomes. AIA Apollo gives you access to a wide range of services, as well as discounts from valuable business partners – it's a flexible program that allows you to focus on what's most important to you.

Wherever you're heading, the four pillars of AIA Apollo can help get you there:

Services

AIA Apollo gives you access to a great range of services.

These support services are designed to make a real difference to your business and your customers.

SERVICE	DESCRIPTION
TRAINING & ACCREDITATION	We offer you support in ensuring you are up to speed with the latest information for your clients with adviser courses, online accreditation processes, as well as Education and Product refresher sessions
STUDY SUPPORT FOR OPEN POLYTECHNIC NZCFS (L5)	We will support your study to achieve New Zealand Certificate in Financial Studies (L5) from Open Polytechnic including a 45% discount if registered via AIA. We also provide group training workshops to help you prepare for the transition to the new regulatory competence level
SPECIAL PROCUREMENT OFFERS	We'll help lower the costs of business with special deals from leading suppliers. Please refer to the Partners and Procurement section of this guide for details
HEALTHSCREEN SERVICES	Our HealthScreen nurses gather the additional information we sometimes need when your clients apply for cover at your clients' convenience

SERVICE	DESCRIPTION
XPLAN TRAINING	We provide you with access to specialised training with the Practice Development Team to optimise use of XPLAN, including product comparison tool - Risk Researcher, to help your client servicing approach
XPLAN MARKETING TOOLS	We will work with you to deepen your client relationships by developing searches, reports, letters and templates within your AIA hosted XPLAN
XPLAN	We provide support for AIA hosted XPLAN to manage your client information and automate your back office

Partners and procurement

Increase the efficiency of doing business with these special deals from leading suppliers.

Please note these offers may be subject to change and suppliers' terms and conditions will apply.

We'll keep you posted as new partners join the program. If you have any questions, please contact nz.apollo@aia.com or speak to your BDM or BDC.
