Business Continuity Locum Cover Disability Income Benefit

This *appendix* only applies if cover under the policy *schedule* includes the Business Continuity Locum Cover Disability Income Benefit. This *appendix* forms part of and is incorporated into the TotalCareMax policy, the terms of which apply to this *appendix*.

This is a Business Continuity Locum Cover Disability Income Benefit. Details of the benefit and the names of the people insured for the benefit (called the life or lives assured) are shown in *the schedule*.

1. When will Sovereign pay a Locum Cover Disability Income Benefit?

To qualify for a benefit, the life assured must be *actively involved* in the *business* immediately before the *disablement date*.

Sovereign will pay a Locum Cover Disability Income Benefit if, in Sovereign's opinion, at any time during the *benefit term*, the life assured has become *totally disabled* and remains so for a continuous period greater than the *waiting period*.

The benefit is designed to reimburse the cost of a locum or *eligible business overheads* where a locum is not engaged.

The benefit is paid monthly in arrears from the end of the waiting period until the earlier of the following events:

- > the life assured ceases to be *totally disabled*; or
- > the end of the *benefit payment period*; or
- > the occurrence of any one or more of the events set out in Sections 7 and 8.

2. What amount will Sovereign pay for a Locum Cover Disability Income Benefit?

The amount that Sovereign will pay monthly is the lowest of the following amounts:

- > 1/12th of the benefit amount shown in *the schedule* less offsets shown below; or
- > the reasonable costs incurred by the *business* in engaging a locum for the *business* for that month less offsets shown below; or
- > where a locum is not for any reason engaged, the *eligible business overheads* actually incurred by the *business* for that month less offsets shown below.

Offsets

Any other benefit amounts received by *you*, the life assured or the *business* from any source other than Sovereign for that month in relation to the life assured and in respect of the same or a related disability, for:

- > reimbursement of the costs of the locum; or
- > reimbursement of the same *eligible business overheads* where a locum is not for any reason engaged.

Where the life assured is covered by business continuity benefits held with more than one provider, Sovereign will negotiate with the other provider(s) to determine the amount to be offset.

3. What does *totally disabled* mean?

In Sovereign's opinion, the life assured for the benefit is *totally disabled*, if, as a direct result of sickness or injury, he or she is:

- > under the regular and personal care of a *registered medical practitioner*; and
- > unable to:
 - engage in the occupation or carry on the *business* they were involved in immediately before the *disablement date* for more than ten hours per week; or
 - perform at least one income producing duty of the role they were involved in immediately before the *disablement date* and is not working in that role; and
- > not working or engaged in any other occupation or business.

4. What is the Recurrent Disablement Benefit?

The *waiting period* will be waived if in Sovereign's opinion, after considering the advice of a *registered medical practitioner* and other relevant information, the life assured becomes *totally disabled* again and this is caused by the same or a related illness or injury as the original period of *total disablement*, not later than 12 months after benefit payments related to the original claim ceased. The provisions of Sections 1, 2 and 3 of this *appendix* will apply to any benefit claimed.

All claims resulting from the same or a related illness or injury will be considered to be the same claim in respect of the *benefit payment period*.

5. How to make a claim

To make a claim, the relevant procedures in the section of *your* TotalCareMax policy entitled "How to make a claim" must be followed.

6. Ongoing claim requirements

 - > Any other information that Sovereign may deem relevant to the ongoing assessment of the claim.

7. When will Sovereign cease paying a benefit?

- (a) The life assured fails to undergo and complete:
 - any surgical operation; and/or
 - any medical rehabilitation programme; and/or
 - any social rehabilitation programme; and/or
 - any vocational rehabilitation programme, which a *registered medical practitioner* approved by Sovereign considers reasonably necessary.

- (g) The life assured is in prison for any reason.
- (h) The life assured dies.

If Sovereign ceases paying a benefit in accordance with paragraphs (a), (b) or (c) and the life assured subsequently complies with the relevant requirement(s), then:

- > The date that the life assured complied with the relevant requirement(s) will, subject to the provisions of this *appendix*, be treated as the *disablement date* for a new claim.
- > The *waiting period* will be waived for the new claim.
- > The original claim and the new claim will be considered to be the same claim in respect of the *benefit payment period*.
- > No monthly benefit payments will be payable retrospectively for any period of time before the date that the life assured subsequently complies with the relevant requirement(s).
