

Programme overview

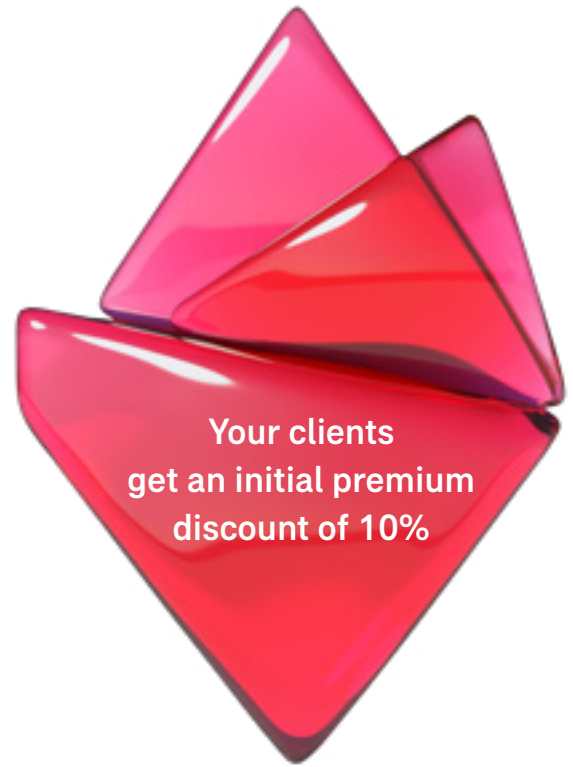

AIA Vitality is a science-backed health and wellbeing programme that helps your clients get more out of life.

AIA Vitality can be offered to your clients when they hold any eligible AIA insurance policy.

AIA Vitality will take your clients on a journey to better health - where they get to know their health, improve it and enjoy the rewards for doing so.

AIA Vitality members earn AIA Vitality Points through a number of health, mental wellbeing and fitness related activities.

As a new member, your clients will start on Bronze Status and work their way up to Silver, Gold and finally to Platinum. The higher the status, the greater the rewards.

Your clients
get an initial premium
discount of 10%
